

R151 and R171 Clinical Course Requirements Checklist
Fall Semester of 1st Year (3 credit hours) / Spring Semester of 1st Year (3 credit hours)

In addition to performing radiographic exams, the following information and documentation are REQUIRED for this clinical course. Failure to complete any of these items will result in a reduction in the clinical course grade. It is not the responsibility of the CP to inform students of delinquencies or missing activities/documents before calculating clinic course grades. The student must verify everything on this list at mid-term and semester end. Academic Misconduct will not be tolerated. <https://studentcode.iu.edu/>

Course Activities and/or Database Requirements

Clinical Course Requirements Checklist Due Mid & End Semester (See Canvas for specific deadline)

- _____ R151: Attestations Submitted in Canvas by designated deadline
