

In Love

By Kevin Watts

I
believe in love.

Like I believe the sky is married to the ocean
and their child is the prettiest blue.

Like her eyes.
The very sun she holds in them
While at night, it's the stars I see.

Like the air that I breath so easily
She takes it away
Just as fast.

Love is an endless garden
That i walk through, holding her hand

For she holds the very key
That breaks right through any barrier
To my heart.

When I'm with her
I feel like i'm lifted
high above the clouds
On a hot air balloon.

I know, I know
I sound crazy right
I am crazy
Crazy in love

She doesn't just give me butterflies
She gives me
The entire forest

Birds singing
The loveliest tunes when she's around
They sing
Of love.

Though her beauty
 Like no other
 Words cannot explain
Words can not justify
There are just simply no words at all
To describe her beauty

If I was forced against my will
 To choose—just one
To describe her
It would be
 Magic

Life is perfect
 With her by my side
 I'm in love
With every meaning of it
 I hope
That this feeling
 Will always remain

As for this love
Is the kind that you bottle up
 And cherish
Forever

How wonderful
 This feeling of being
In love.
